

## Traditional Handcrafted Wood

We have a complete cabinet shop to cater to your every need. The woods detailed below and the MinWax® stain are included in the standard pricing, but should you want something different, no problem, just let us know what you desire.

- Available with trim or without...

- In Your Coice of Natural Wood...

## Exciting "Match Your Interior" Paints and Textures

We will create the stand of your choice of in any HomeDepot® paint color, texture, or Faux application. Simply let us know the manufacturer and the color codes.

## Beautiful Stone and Metal Laminates

We excel at fabricating the most luxurious cabinetry using world renowned laminates from the leading manufactures. Simply peruse their respective selections and give us the name and stock code of the laminate that you want and let us know. *(WilsonArt Home Standards and Formica Solid and patterns are included in the stand and canopy price, all others may result in an upcharge)*

## Modern Resiliant Acrylic

Not only do we know how to make the world's finest acrylic aquariums, we can make best in class acrylic furnishings as well.

- White, Black, and Red are available with our standard pricing.

- For a more luxurious look, check out these designer acrylics *(upcharges apply)*

- All Stands are 30" high
- Canopies are 6" high for acrylic and 7" high for wood. Larger Aquarium canopies are 10" high
- Most standard lighting will easily fit inside canopy
- Canopies drop down over the top of the tank, to hide the water line, by about 1.5"
- Canopies can be made taller as can cabinets for a slight upcharge.
- Open back design in stand and canopy for ventilation
- Dimensions of the stand/canopy are larger than aquarium by 1- 2" depending on model.
