

CERTIFIED INSTALLER

Tenecor has been the trusted name in high quality aquariums for over 20 years. Our commitment to “Best in Class” customer service and sales support is second to none in the industry. No dealer or Installation/Maintenance company is too big or too small – Tenecor will work within any budget or frequency of order. No matter what volume you do, tenecor will provide the same great prices and support. Each tank is made specifically for your customer with their wants and needs designed right in from the start.
